Visit our neighbor to the north on a tour that takes you and a guest from the urban elegance of Vancouver – Host City of the Vancouver 2010 Olympic and Paralympic Winter Games – to the rugged natural beauty of the Canadian Rockies. Your journey begins with two nights in a Signature Club Suite at Delta Vancouver Suites in the heart of the city. Enjoy a continental breakfast before heading out to blade, bike, or stroll along the seawall surrounding beautiful Stanley Park. Catch the sun at Kitsilano Beach, wander the historic Gastown district, and savor shopping and restaurants on Robson Street.

Then board the Rocky Mountaineer Whistler Sea-to-Sky Climb for a legendary train trip from Vancouver to Whistler. Enjoy the stunning ocean and mountain views as you make your way to the mountain resort of Whistler. Spend two nights in a one-bedroom suite at the Delta Whistler Village Suites, your base for skiing and snowboarding in the winter and golfing, mountain biking, and hiking in the summer.

Upon your return to Vancouver, get ready for the next leg of your Canadian adventure. From Vancouver, you'll travel overnight to Edmonton aboard VIA Rail's *Canadian* for an unforgettable journey through the Canadian Rockies. Take in gorgeous 360° views from the observation dome and pause for refreshments in one of the lounges. Enjoy freshly prepared meals and comfortable bedroom accommodations in the award-winning Sleeper Touring class.

Then spend two nights in a spacious suite at the Delta Edmonton Centre Suite Hotel in downtown Edmonton. Known as the Festival City, this sophisticated western metropolis offers something for everyone – from concerts to a corn maze to West Edmonton Mall, the world's largest.

Your trip includes round trip air travel from San Francisco.
